

Design a Christmas Street Light Competition 2023

ENTRY FORM

Important information:

When drawing the design, please:

- Draw your entry within the box on the following page, filling up as much of the box as possible. The light will be manufactured to a maximum size of 2m high by 1m wide, which is in proportion with the box provided.
- Use a maximum of 4 colours - Red/Blue/Green/White
- Avoid very small sections of different colour lighting.
- Fill in outlines with colours.
- Do not leave large empty spaces.
- Please colour in the background in black.

Once we have the design, it may need to be amended slightly to make sure it works as a light fitting rather than a drawing so it may not look exactly as per the drawing.

*The competition is only open to residents of the Emersons Green Town Ward. If you are unsure if you are within the boundary, please check the detail on your council tax bill, or the boundary map on our website:

<https://emersonsgreen-tc.gov.uk/about-the-area/parish-map/>

Entries may be dropped off to the collection points at Emersons Green Village Hall or Lyde Green Community Association.

Alternatively, your entry may be posted to us at: Emersons Green Town Council, Westerleigh Road, Emersons Green, BS16 7AN. For any queries, or to submit an entry online, please email us on: clerk@emersonsgreen-tc.gov.uk

Child's Name:	
Age:	
School year:	
School attended:	
Parent/Guardian name:	
Parent/Guardian contact phone number:	
Parent/Guardian email address:	
Postcode*:	
Are you a resident of the Emersons Green Town Council ward area?*	Yes / No
