

RECYCLE MORE THIS CHRISTMAS

Most of the extra waste you get at Christmas can be recycled and making full use of your recycling collection will help to save space in the black bin.

- * Recycle wrapping paper and greetings cards without glitter, plastic or foil decorations. They must be in a recyclable gift bag or small cardboard box to be collected.
- * Put extra card in a cardboard box (no larger than your green recycling boxes).
- * Stack your recycling boxes to prevent litter in your street.
- * Sort your recycling – put plastic bottles, tubs and trays with metal cans, aerosols and foil, but keep your other items separated in your recycling boxes.

RECYCLE YOUR REAL CHRISTMAS TREE

- * Use your garden waste bin subscription
- * Buy a garden waste sack and book a collection
- * Take it to a Sort It recycling centre
