Guidance Notes

Recording of Council Meetings

To comply with The Openness of Local Government Bodies Regulations 2014, all our Council meetings are open to the public and may be recorded.

For clarity, all types of recording, and use of social media, *are* permitted at our Council meetings, which are always open to the public.

However, out of courtesy, and for practical reasons, we request that visitors who wish to record our meetings provide us with as much notice as possible. For example, our Council Chamber has limited space. Nevertheless, we will do our best to accommodate the media requirements of visitors, on a first-come-first-served basis.

Distractions

In all cases, please *do not* cause a distraction, or you may be asked to leave by the Chair. For clarity, the definition of a distraction is entirely at the Chair's discretion.

As a minimum, please avoid using flash photography or any equipment that creates a loud noise, without prior approval.

Public Participation

During the meeting, public participation will take place *only* during this item. For practical reasons, this will be limited to a maximum of 30 minutes. During this item, the public are welcome to make representations, ask questions, and give evidence, regarding the business on the agenda.

To aid the meeting process, Emersons Green Town Council request that all members of the press and public email their questions in advance to clerk@emersonsgreen-tc.gov.uk, no later than 1200hrs on the day before the meeting. In this email, the public are asked to confirm whether they will be in physical attendance or require an officer to read out the question on their behalf.

Furthermore, the priority of physical attendance at a Council meeting will be given to the press and those who have sent their public questions in advance, particularly if they are willing to read them out themselves. After that, the remaining seats will be allocated on a first-come-first-served basis.

At the Chair's discretion, all individual representations will be limited to no more than 5 minutes. During the meeting, the Chair will call for representations from visitors who have indicated that they wish to speak. Similarly, it is also possible for written representations to be received at this point.
