Newsletter September 2026

As we move into autumn, Emersons Green Town Council is delighted to bring you the latest community updates, celebrate recent achievements, and highlight exciting opportunities and events planned for the weeks ahead.

Join us for free coffee mornings and citizens advice support

Emersons Green Town Council hosts a free weekly Coffee Morning every **Thursday at 10am** at Emersons Green Village Hall. Residents can enjoy free tea, coffee and cake, and access confidential advice from Citizens Advice in a relaxed, welcoming setting.

Citizens Advice drop-in sessions are also available:

- Thursdays, 10am–12pm – Emersons Green Village Hall
- Mondays, 10am–12pm – Lyde Green Community Centre

These initiatives aim to provide a safe and friendly space for the community to gather, share experiences, and seek professional advice.

Everyone is welcome!

Tour de CAB

Ed, an adviser with Citizens Advice South Gloucestershire, cycled an impressive 33 miles, visiting all of the charity's drop-in locations across South Gloucestershire to raise funds and increase awareness of the vital support it provides to local residents.

He set off from Thornbury Town Hall and completed his journey in Yate, stopping along the way at Emersons Green Village Hall and Lyde Green Community Centre. His achievement demonstrates remarkable dedication to supporting local people and promoting the services available through the charity.

For more information about Citizens Advice South Gloucestershire's drop-in locations and opening times, please visit:

<https://www.southgloscab.org.uk/get-advice/visit-us/>

Rainbow Tots

Emersons Green Baptist Church is celebrating 20 years of Rainbow Tots, its popular preschool group for young children and their families.

Rainbow Tots runs every Friday during term time from 10.00am to 11.30am at Emersons Green Village Hall, providing a welcoming space for children to play and families to connect.

To mark this special milestone, the church will be holding a celebration at 10.30am on Friday 16th October at the village hall, including the cutting of a commemorative cake by the Deputy Mayor Bobbie Sunderland.

Parents, grandparents and anyone who has attended Rainbow Tots over the past 20 years are warmly invited to join the celebrations.

For more information, please contact Simon on 07765 201435.

Dogs For Good at Lyde Green Community Centre

"Dogs for Good is a UK-based charity training dogs to help adults and children with physical disabilities and learning disabilities, children with autism and adults with dementia. As well as training assistance dogs, Dogs for Good also offers a Family Dog and Community Dog Service. More recently, our Bristol team has started training up some Volunteer Dog Teams. Once qualified, these teams will be supporting different clients depending on their own strengths and interests. This might include visiting care homes, participating in wellbeing walks or visiting someone with dementia.

Being able to utilise the hall and meeting rooms at Lyde Green Community Centre enables us to support people across all of our services and we are eternally grateful for this." - Julia Lange

Dementia Community Dog Handler, www.dogsforgood.org

MACMILLAN
CANCER SUPPORT

Macmillan Coffee Morning

Thank you to everyone who joined us at Emersons Green Village Hall on Thursday 24th September and donated to Macmillan Cancer Support. Together, we raised an incredible £38.24. You can still donate here using the QR code:

Emersons Green Site Update

We are pleased to share that we are planning to reopen our Emersons Green site in early September, following the successful installation of new water and heating systems.

We would like to sincerely apologise for how long the site has been closed and thank all our patients for their patience, understanding and continued support while these essential works have been completed.

We're looking forward to welcoming everyone back to Emersons Green and will share any further updates as we get closer to reopening.

Thank you again for your support – we can't wait to see you all back soon. See less

Brewed Fresh: The Youth Tea Drop

Out and about in the community, Shea, Josh and Troy have been connecting with young people, listening to their experiences and offering support where it's needed most. Their dedication continues to make a lasting difference, one conversation at a time.

Here's a glimpse of their recent work.

www.facebook.com/EMERSONSGREENYOUTH

youthliaison@emersonsgreen-tc.gov.uk

Youth Access Sessions

"Well, there's us thinking we might get a little break after everything kicking off following the summer holidays... But nope! We're straight back into it! Our sessions are running as normal because, as you all know, we never stop! We genuinely believe that good youth provision shouldn't just stop because the school holidays are over — unless it's Christmas!

This week has been busy, a little crazy, but ultimately absolutely awesome!

Many of our Year 6 young people have now taken that big step into Year 7 and we are incredibly proud of them as they enter such a different and exciting time in their lives.

Something we really value is making sure we talk with our younger groups about any worries, concerns or challenges they may have around moving up to secondary school. That transition can feel like a huge change, so having the opportunity to chat, ask questions and share those worries can make a real difference.

It's all about supporting our young people, helping them feel confident and reminding them that they don't have to navigate these changes alone.

Happy days!
Together we are loud!
Let the young be young."
-Shea

SCAN ME

Collaborative Wheel Project

We're delighted to launch our new Wheels Project in partnership with Mangotsfield School.

The project gives young people the opportunity to learn basic car maintenance, develop practical skills and grow in confidence at their own pace. Following two fantastic introductory sessions with Shea and groups of Year 10 and 11 students, it's already off to a great start.

These valuable life skills can help save time and money, whatever career path students choose in the future.

A huge thank you to the family who generously donated a vehicle, helping make this opportunity possible.

We're excited to see the project grow and give more young people the chance to get stuck in, have a go, and learn something new.

Learn. Get stuck in. Have a go.

Emersons Green Skate Park

The skate park next to Sainsburys has now re-opened and the Youth team will be holding Open Access sessions there every Wednesday from 6pm-8pm. See you there.

BIG NEWS!!

Big things are happening at Together Loud! We're excited to be growing, with brand-new youth sessions launching in Pucklechurch and Downend & Bromley Heath.

Together Loud is expanding to create even more places where young people can hang out, get involved in activities, make friends and be loud together in a safe and supportive environment. We can't wait to welcome even more young people into the Together Loud community.

Watch this space for updates! ❤️

Pomphrey Hill x Emersons Green Youth

Our weekly youth sessions at Pomphrey Hill are continuing, taking place every Wednesday from 3:30pm to 5:30pm.

Our aim is to provide high-quality activities in a safe, welcoming, and relaxed environment, where young people can come along, socialise and enjoy their time each week.

Ages 10-18 — all welcome!

To get involved, simply scan the QR code to sign up, or email us at youthliaison@emersonsgreen-tc.gov.uk. Then just turn up — we'd love to see you there!

Open Spaces

The Open Spaces Committee manages all aspects of the Town Council's Open Spaces and Environmental assets within the Town Council boundary.

Check out what we've been up-to this last month and the exciting things we have planned for June/July. Keep an eye on our website and social media for updates and how to get involved! www.emersonsgreen-tc.gov.uk/things-to-do/

Help Our Community Planters Thrive

Dear Resident,

You may have noticed the planters located near the shops on Emerson Way. These displays help brighten the area, provide seasonal colour, and make our local centre a more welcoming place for everyone to enjoy.

Unfortunately, the prolonged periods of hot weather and recent summer heatwaves have taken a significant toll on the plants, despite our best efforts to keep them looking their best.

We are therefore looking for a number of local volunteers to **"adopt a planter."** This would involve keeping an eye on a planter close to the shops and, during particularly dry or hot periods, helping to ensure it receives the water and care it needs to flourish.

Adopting a planter is a simple but meaningful way to contribute to the local environment and community. Whether you walk through the area regularly, live nearby, or simply enjoy gardening, your support could make a real difference. Even a small amount of time can help keep the displays healthy, colourful, and enjoyable for everyone. The Town Council will continue to maintain the planters and provide seasonal planting where appropriate. We are simply looking for community champions who can provide some additional care during challenging weather conditions.

If you would be interested in adopting a planter, or would like to find out more about what is involved, please contact clerk@emersonsgreen-tc.gov.uk

Thank you

How to save seeds

Seed saving is an easy and rewarding way for anyone to grow high-quality seeds at home for free. If you're new to seed saving, click here for free beginner-friendly information and guidance.

<https://realseeds.co.uk/seedsavinginfo.html>

Interested in learning more about Emersons Green Town Council's Local Climate & Nature Action Plan (LCNAP)? Click [HERE](#) for further information.

Community Notice: Rodway Common Bike Trails

The Town Council recognises that the bike trails on Rodway Common are enjoyed by many local riders. However, during a recent inspection, a newly created trail was found crossing a public footpath, with a jump built directly over the path. As this posed a serious safety risk to pedestrians, including families and dog walkers, the jump was removed.

We ask all trail users to be considerate of other visitors and to use existing riding areas away from public footpaths wherever possible. The Council is also exploring the possibility of official mountain bike trails in the future.

Discussions are at an early stage and any proposals would be subject to consultation and approval before moving forward.

Thank you for helping keep Rodway Common safe, welcoming and enjoyable for everyone.

Read the full notice: <https://emersonsgreen-tc.gov.uk/.../community-notice>

Community Caretaker

We would like to extend a big thank you to everyone who has taken the time to report grounds maintenance issues on public land within the Town Council boundary. Your efforts help us keep our community safe and looking its best.

Our Community Caretaker has been busy throughout the month, clearing built-up leaves, weeds, and soil from footpaths, as well as cutting back overhanging brambles and vegetation.

If you see something that needs our attention please private message us via the [EGTC Community Caretaker Facebook page](#).

Get Your Discounted Water Butt Now!

Water Butts Direct are working with Emersons Green Town Council to offer Emersons and Lyde Green residents an exclusive offer on Water Butts.

One of the most useful and precious resources on the planet is water and the process of collecting rainwater from your roof is both environmentally financially sustainable.

Emersons Green Repair Cafe

What an Incredible Community We Have in Emersons Green!

A huge thank you to our amazing volunteers who made the first Emersons Green Repair Café on 12th September such a success.

From repairing clothing and fixing small electrical items to sharing knowledge and practical skills, they helped many local residents give their much-loved possessions a new lease of life.

Their time, expertise and generosity showcased the fantastic community spirit we have here in Emersons Green.

Got something that needs fixing? Bring it along to the next Emersons Green Repair Café on 10th October and see if our volunteers can help.

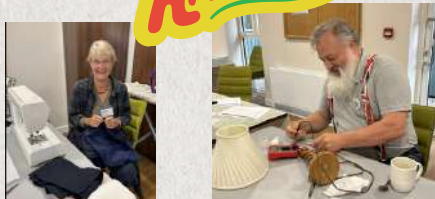

Follow our [Facebook](#) page for updates.

AMAZING

Repair it • Reuse it • Reduce waste • Save money

Clothes Swap

Thank you to everyone who supported our Clothes Swap at Emersons Green Village Hall on Saturday 19th September.

As the first event we've run independently, we're delighted with how it went.

A huge thank you to our amazing volunteers, who helped make the day such a success. We're especially grateful to volunteers from:

- ♥ Friends of Emersons Green Park
- ♥ Friends of Blackhorse Meadows
- ♥ Greenhouse - Plant Based Dining

Your time, enthusiasm and community spirit help make Emersons Green a wonderful place to live.

A special shout-out to **Fi's Fixes** for providing mending and repair support on the day:

<https://www.facebook.com/fi.s.fixes>

We'd also like to thank **Clothes Swap Chesham** for their invaluable support and advice. We couldn't have done it without you.

Thank you all for helping make the event such a success!

A simple way to support the environment by choosing to swap, not shop.

Models Wanted!

Volunteer to be a model at our Sustainable Fashion Show on March 14th 2027.

All ages, genders, shapes, and sizes needed!

Residents are welcome to drop in to ask questions, and find out more about upcoming local events and activities. These sessions run alongside the Food Bank, helping to make support and information easily accessible to all. Everyone welcome.

Fire Damaged Tree

A maple tree at Vinney Green was recently damaged following a suspected arson attack. After a detailed inspection by a tree specialist and a subsequent risk assessment, we are pleased to report that the fire has not affected the tree's structural stability.

It is believed that the fire was confined to decayed wood already present in the centre of the trunk and did not spread into the healthy surrounding timber.

While this is encouraging news, a fuller picture of the tree's overall health will only become clear in the spring, once it comes into leaf. We will continue to keep a close eye on its condition throughout 2027 and assess any longer-term effects as they become apparent.

What's on at the

Library

Storytime–9:30am–10am every Tuesday throughout the year.
Rhymetime–9:30am–10am every Thursday throughout the year.

Community Seed Swap – just ask a member of staff and they'll point you in the right direction.

Have Your Say on Local Community Spaces!

We want to hear from you!

We're looking to hear from people across the local area about our youth and community spaces. This includes community centres, parks, and the places people spend time day to day. If you've got a few minutes, your input would really help build a clearer picture of what people want and need from these spaces.

Tell us:

- How you currently use local youth and community spaces
- What you like (or don't like) about them
- What improvements you'd love to see

Your feedback will help shape the future of these spaces and ensure they work for everyone in the community. Take part by scanning the QR code or click [here](#) for the link -it only takes a few minutes and is open to all ages!

Please share this with friends, family, and neighbours so we can hear from as many people as possible-the more people we hear from, the more useful this will be!

Please note, any information you share will be held by Emersons Green Town Council for up to one year in accordance with data protection laws.

Your Parish Council

The Emersons Green Town Council parish covers Emersons Green, Lyde Green, Blackhorse, Pomphrey, parts of Mangotsfield and the edge of Downend — all united by our commitment to delivering for the community.
